Enrolled: 6
Instructor(s): Miller, Brian T.

Student Comments

Total Comments: 1

The assignments assigned by the instructor were both challenging and helpful. One could tell that the instructor prepared a great deal for their lectures. Also, they encouraged any clarifying questions or push-back.

As, I mentioned on the other form, the instructor was very effective ranging from choosing the class materials, to preparing a detailed outline each week, and entertaining both objections and clarifying questions. Very well done.
